Brothers, we're old enough now to leave home. We must all build our own homes.

Yes, but we must beware of the Big Bad Wolf. Make sure you build a nice strong house and follow the pig house-building code of practice.

Yes we must. Good luck to us all.

They walk for a while...

Look! There's some straw at the side of the road. I'm going to build my house with that.

Straw! That'll never do. I suppose I'll see you later.

Further down the road...

Wow! There is a pile of sticks, I'm going to build my house with that.

Sticks! You've gotta be kidding! Ok, see you later too!

Further down the road

Ahh! there are some bricks, I am going to build my house with those - that'll be sure to keep the Big Bad Wolf out.

Along comes a big bad wolf...

Hmm! What do we have here...a piggy house made of straw. I think I'm going to have a nice piggy-supper tonight.

(He slurps and knocks on the door)

Little Pig, Little Pig, let me come in

No, no, no! Not by the hair of my chinny chin chin.

Then I'll huff and I'll puff and I'll blow your house in!

So he huffs and he puffs until he blows the house down.

Oh no! He's blown my house down. I'd better run. Can I get to my brother's stick house before the wolf does?

(He runs to the next house)

The Wolf knocks on the door of the stick house...

Little Pig, Little Pig, let me come in

No, no, not by the hair of my chinny chin chin.

Then I'll huff and I'll puff and I'll blow your house in.

So he huffs and he puffs until he blows the house in.

Look, he's blown down my house too!

We'd better run to our brother's brick house - we'll be safe there.

Yes, hurry.

The 2 little pigs then run to the third pig's house made of bricks.

The big bad wolf knocks on the door of the third little pig..

Little Pig, Little Pig, let me come in.

No, no, not by the hair of my chinny chin chin.

Then I'll huff and I'll puff and I'll blow your house in' Huffffffff Puffffffff!
Blimey this house is strong, I can't blow it down.

He tries to blow again but it stays up

I think we are safe now.

I think I'll climb down the chimney and get them. Yum, yum, yum
I'll have piggies in my tum!

Oh no I can hear him coming down the chimney. What are we going to do?

Quick, put that pot of boiling water under the chimney.
He will land in it when he comes down.

The wolf slides down the chimney and lands in the pot..

Arghh!! That's really hot. I've burnt my bottom. I've got to get out of here.

He runs out of the house, never to be seen again

Hooray!!!
